

### Membership Guidelines

Member benefits include reciprocity to other yacht clubs, some of which do not accept credit cards or cash. Such clubs bill MAYC directly. MAYC will then bill our members, collect the funds, and forward those funds to the member yacht club. In as much as credit is extended to members, if one uses membership card privileges, that member will pay the invoice within 15 days of receipt.

The membership committee meets monthly to review applications. When approved, a membership package will be sent to the approved new member and will include membership card and details on the Yachting Club of America reciprocal program.

Membership fees are due upon approval of application January 1 to December 31. Fees are prorated during the last quarter of the membership year.

Associate membership allows a spouse or partner to attend all events with or without the full member present. An associate member may only visit YCOA clubs with a full member present. Associate membership does not include MAYC voting privileges.

### Membership Fees:

- \$100 Initiation Fee
- \$75 Annual Membership Fee
- \$35 Associate Membership Fee
- Total New Member Fee w/o Associate \$175
- Total New Member Fee with Associate \$210
